Step 1: Click on this page link (https://summerscholars.ea.asu.edu)

Step 2: Log in with your ASURITE ID and password (reminder: your ASURITE ID is the credential you use to log in to myASU)
Step 3: Once logged in, click on “Add Courses” on top

Step 4: Add your course (FSE 150)
Click on the “Add course” button next to the course you want to enroll in, then click “Enroll”
Step 5: Upgrade the course (REQUIRED for FSE 150)

Once you are back on your dashboard, click the “Access Course” button. This will prompt you to either “Upgrade this course” or “Preview this course.” Because you want academic credit for FSE 150, then you will need to upgrade.

There is a $25 cost to upgrade.

Upgrading a course means you are put onto the credit eligible track and once you pass all course requirements, you can add the course to your transcript.

After you click on the Access Course button, you will be asked if you’d like to upgrade the course:
**Step 6:** Because you opted to upgrade the course, you will be prompted through payment screens and PayPal to complete the transaction. The following screenshots show this process.
Step 7: Verify your identity

After payment, you will be prompted to verify your identity. You will need a government or school issued ID for this step. You will submit one photo of your face, and another photo of your ID.

We use the highest levels of security available to encrypt your photo and send it to our authorization service for review. Your photo and information are not saved or visible anywhere on ASU after the verification process is complete.
1 Take your photo

First, click the "use my camera" button, to allow this page to use your webcam.

To take a photo of yourself, click the camera button ( 📸 ).
To retake your photo, click the camera button ( 📸 ) again.

For a successful photo, make sure that:
- Your face is well-lit.
- Your entire face fits inside the frame.

When you’re satisfied with your photo, click “Next.”

Why does ASU need my photo?
To be eligible for academic credit, you must verify your identification so we know who you are. This lets us ensure the academic credit you earn appears on your official ASU transcript.

What does ASU do with this photo?
We use the highest levels of security available to encrypt your photo and send it to our authorization service for review. Your photo and information are not saved or visible anywhere on ASU after the verification process is complete.
Take a photo of your ID

Now, take a picture of your photo ID card.

Acceptable photo IDs include a driver's license, passport, national ID card, state or province ID card, or an official student ID card.

Tips on taking a successful photo

- Hold your photo ID up to your webcam and click the camera button (1).
- If you need to retake your photo, click the camera button (1) again.

When you're satisfied with your photo, click "Next."

ID photo

Photo requirements to check

- Does the photo of your show your entire face?
- Does the photo of you match your photo ID?
- Can you easily read the name listed on your photo ID?
- Does the name on your ID match your account name: Sarah Johnson? If not, you can request a name change by contacting our support team.

☑ Yes, my photos meet the requirements.

If not, you can: retake your photos.

Thank you.
Your identity verification is in progress.

We have received your information and are verifying your identity. You will see a message on your dashboard when the verification process is complete (usually within 1-2 days). In the meantime, you can still access all available course content.

Return to your dashboard ➤
**Step 8: Access your course**

Once you have upgraded and verified your identity, you can click the Access Course button from your dashboard to enter the course.
